# ABOUT COMPANY

we are dedicated to exceeding expectations through our unwavering commitment to quality, reliability, and customer satisfaction.

Petra Arabia Industrial Company has earned a distinguished reputation in Machine Shop operations, Fabrication, Maintenance, Engine Rebuilding, and Oil Field Services. Since our inception in the industrial and oil field services sector of the Kingdom, we have been recognized for our diverse range of services, characterized by superior quality and cost-effective solutions. Our pride lies in the excellence of our services and the quality products we deliver to our clients.

# CEO STATEMENT

Our commitment to excellence is evident in the breadth of services we offer, ensuring superior quality and cost-effective solutions for our valued clients. We take pride in delivering exceptional service and top-notch products, tailored to meet the diverse needs of our clientele.

# COMPANY HISTORY

**1975**

Established in 1975 by the Saleem brothers **Abdallah, Atif, and Issa** in Hofuf Alhasa, situated in the Eastern Province of Saudi Arabia, our company embarked on a journey specializing in Steel Fabrication, Machine Shop Works, Engine Rebuilding, and Oil Field Supplies. This initial focus laid the foundation for our enduring legacy.

We always  
here to help :)

“

02

## Machine Shop

Equipped with machinery including lathes, milling machines, drills, shapers, grinders, and borers, our machine shop ensures the production of high-quality components by proficient technicians.

03

## Fabrication

Our state-of-the-art fabrication shop accommodates various metals ( steel, stainless steel, bronze, brass, aluminum ) and plastics, with skilled technicians executing projects to exact customer specifications.

04

## Engine Rebuilding

From single-cylinder to 16-cylinder engines, we specialize in comprehensive engine rebuilding, accompanied by a reliable supply of spare parts.

05

## Welding

With proficiency in various welding techniques including cast-iron, stainless steel, steel, and aluminum, we offer arc, TIG, and MIG welding services to meet diverse requirements.

06

## Gear Fabrication

Our expertise extends to fabricating all types of gears, accompanied by comprehensive gearbox maintenance services.

07

## Maintenance

We undertake maintenance tasks for factories, machinery, vehicles, heavy-duty equipment, and provide essential spare parts to ensure uninterrupted operations.

08

## Galvanizing and Painting

We provide comprehensive painting and electro-galvanizing services, ensuring superior protection and aesthetic appeal for fabricated components.
